

ISS ENGLISH MEDIUM SENIOR SECONDARY SCHOOL REPORT FOR THE ACADEMIC YEAR 2017-18

Foreword:

A flagship of Islamic Service Society, established in 1983, ISS ENGLISH MEDIUM SENIOR SECONDARY SCHOOL offers a world class system of education endowed with a perfect synthesis of contemporary educational practices and value education. Academic Intellectuals and professionals are the leaders of this institution since its inception. The school is affiliated with Central Board of Secondary Education New Delhi is committed to bring myriad of innovations and provide opportunities to students to explore and polish their talents and help them realize their potential. ISS EMS emphasize on much needed 21st century skills of critical thinking, problem solving skills, communication skills and creativity and collaboration among students.

From introducing children to the world of learning to providing the most sophisticated training for professional courses, school offers complete education under one roof. Here I feel high privilege and have great pleasure in presenting a brief annual report of the year 2017-18.

Academics:

ISS English Medium Senior Secondary school is known for its excellent academic programmes and practices. Here we have a well-defined academic calendar which is unique as compared to others. The best results of its practices are evidences of continuing glories in the Board examinations. We achieved 100% result in board examinations in the year 2017-2018.

Innovations in teaching methodologies, extended revision programmes and mentoring have been provided in ISS EMS from Primary to Senior Secondary. The most sophisticated interactive class rooms and laboratories introduced for 21st century learning. Chapter wise, Application, Spot, unit wise and other different modes of assessments conducted throughout the year to strengthen the learner's deep knowledge of the topic. Compensative learning programmes conducted for at risk students in every weekend.

Academic year 2017-18 commenced in May 2018 itself with vacation regular classes for classes IX to XII. And regular classes for other classes commenced on 1st June 2017. Awakening assembly was conducted to welcome novices on the re-opening day. Teachers were given training on various aspects of Teaching, Learning, Evaluation, Life Skill education and Communicative English during the first phase of the academic

session. Class X and XII handling teachers attended a training session at Nilambur and Malappuram on recent updates in CBSE conducted Sahodaya.

Periodic Examinations were conducted at regular intervals as per the directions of the Board. Laboratories are renovated and enriched with the required materials for the new academic session. Expert external faculty classes were conducted for Science and Mathematics. Teachers' diary was introduced. Academic Proficiency Test for all grades conducted to empower children towards competitive and scholarship examinations. Additional Coaching and motivational sessions were conducted on demand. Study tours and school exhibitions were conducted at the second spell of the academic year. Parents-Teachers – Management Academic council was constituted for academic enhancement. Language acquisition programmes were held throughout the year.

Student Parliament: of the Pupil by the Pupil and for the Pupil:

Students' Parliament Election was held on 01 July. Election campaigning and Meet the Candidate programme were conducted as a right step for leadership training for students. School Captain, Magazine editors, sports captains and a few other office bearers also were elected through election. These members were given various leadership training programmes including Sahodaya School leaders' summit held at Malappuram.

PTA: Together Towards Excellence:

The parent teacher association was the driving force behind almost all the activities aimed to provide quality empowerment among children. The moral support offered by the PTA in adopting and promoting innovative techniques and timely steps for the school also is noteworthy. Nominated PTA Executive members constituted a committee under the leadership of Mr. Muhammed Ali as the President and Principal as the Secretary. PTA Executive meeting held for four times during the year. PTA Annual conference was a mega event conducted by 17 December 2018. More than 800 hundred parents attended a day long programme which was led by eminent speakers and psychologists. The efforts taken by PTA in school in the year 2017-18 are worth mentioning.

Beyond Curriculum Bringing Co-curricular Eminence:

Hoping that the club activities will boost the students' creativity and kindle their passion towards various skills we formed various clubs under different departments. Apart from

the normal club activities we introduced a few novel clubs suggested by Central Board of Secondary Education. Health Wellness club and Integrity club managed awareness programmes for a healthy living and strong secular nation respectively.

Quiz club had implemented for total enhancement of language, knowledge and confidence of our children. English Literary club organized an English fest'17 which was a remarkable contest of the 2017-18. Malayalam, Arabic, and Hindi Departments also had conducted a series of programmes like literary fete, Language day, Magazines, SahityaSamaj and a lot more. Social Science club contributed novel programmes towards national integration and unity in diversity. Puzzles, Wall magazines, posters and seminars are some of the important events under social science department. Science and nature club focused on developing scientific temper and nature sensitivity of the children. IT club under the directions of Computer science department had conducted a wide variety of competitions in order to develop IT skills among youngsters. Expression, the school expo was a noted event of the year. Art education and craft work became more interesting among children Decathlon- the annual sports meet and annual Games created high level synergy among ISSians. Estrella arts day was held with colorful programmes. Independence Day and other national and regional important days observed in a festive mood. Field trips and study tours were conducted and such programmes were real infotainment for all.

Googly'2017

A tribute to the Hockey legend Major Dhyan Chand, our school conducted 'GOOGLY – Inter School Sports Quiz and Empty Net Goal (Hockey)' in connection with National Sports day -29th August 2017. It was a successful programme and it motivated our students to understand more about our sports legends.

I take this opportunity to express my sincere gratitude to the ISS management, parents and members of teaching staff and supporting staff who extended their helping hands along with their valuable advice, to implement and successfully complete all the activities and programmes envisaged and anticipated at the beginning of this academic year. I also bid thanks and regards to my beloved students who made this academic year colourful, eventful, and rewarding.

Let us thank Almighty and hope for the best

Thank you.
